

Project GOAL: Our Story

With your support, Project GOAL has been inspiring academic achievement through the power of soccer since 2004. By providing a 100% free after school program, students get the academic enrichment necessary to achieve and exceed grade level proficiency—while building a foundation of social responsibility, teamwork, and collaboration in the classrooms (and on the field) through the reward of soccer training. Your support provides an incredible 90 minutes of active classroom learning with 90 minutes of soccer training.

Learn more at www.projectgoal.org

Without you, Project GOAL simply would not exist. We need your support to help make an impact on today's youth and tomorrow's leaders!
